The central digital display features a blue background. At the top, four semi-circular gauges show water level (W), oil level (L), battery charge (H), and fuel level (F). Below these, the 'Seatbelts' status is shown with a green checkmark. The speedometer reads '0 km/h'. The gear indicator shows 'PRNDM'. The total mileage is '68638.5 km' and the distance to the next service is '475 km to E'. The temperature is '83°'. The display also shows a car icon and a green arrow pointing left.
